# OVERLAND STORAGE PowerLoader™

*Reliable, Unattended Storage for Workgroups*

Equipped with a removable magazine and controlled by field-proven robotics, the Overland Storage PowerLoader provides reliable storage for 1.2 TB to 6.8 TB of compressed mission-critical data, with features normally found in large libraries. No other tape automation device supports the wide selection of drive technologies that PowerLoader supports including DLT 8000, SDLT 220, SDLT 320, AIT-2, AIT-3, LTO Ultrium Generation 1 and Generation 2 (LTO-1 and LTO-2).

#### **DOUBLE YOUR EFFICIENCY**

PowerLoader is available with your choice of one or two tape drives. This dual-drive architecture protects your investment in PowerLoader by enabling you to upgrade your single-drive unit to a dual-drive unit for faster backup and restore operations. Dual drives also permit tape duplication in a single chassis, so you can clone vital data to store off-site.

#### **LIBRARY FEATURES AT AN AUTOLOADER PRICE**

The PowerLoader includes many features typically found in higher-priced automated storage solutions. It offers a password-secured, front-removable cartridge magazine that makes media swapping a breeze, a bar-code scanner for fast cartridge inventory, and an easy-to-use operator panel. What's more, the PowerLoader AIT models also feature a mailslot for loading and unloading single cartridges.

#### **REMOTE SYSTEM MANAGEMENT**

PowerLoader provides many of the features normally found in large libraries, all at an autoloader price. Overland gives you the ability to control your PowerLoader from remote locations via the optional Web TLC™. This platform-independent LAN attachment operates with any Web browser so you can verify status and control operations at anytime, from anywhere.

#### **COMPATIBILITY TO KEEP YOU CONNECTED**

Supports all major operating systems including HP-UX, IBM AIX, Linux, Mac OS, Novell NetWare, SCO UNIX, Sun Solaris, Tru64 UNIX, Windows NT/2000 as well as all major backup software applications. The list of software and operating systems supported can be found at [www.overlandstorage.com](http://www.overlandstorage.com).

#### **SERVICE YOU CAN COUNT ON**

- 3-year warranty including XchangeNOW.
- Optional on-site service is available. Please ask for details.

#### **ABOUT OVERLAND STORAGE**

- Over 20 years of experience in data protection and tape storage solutions.
- Engineering excellence with award-winning library robotics design.
- Overland meets the needs of IT professionals in industries worldwide.

All capacity and transfer rates assume a 2:1 data compression ratio for DLT/SDLT/LTO and 2.6:1 for AIT.

	LTO-1	LTO-2	SDLT 220	SDLT 320	DLT 8000	AIT-2	AIT-3
<b>RELIABILITY</b>							
Robotics MSBF (exchanges)	>1,500,000	>1,500,000	>1,500,000	>1,500,000	>1,500,000	>2,000,000	>2,000,000
Drive MTBF	250,000 hours	250,000 hours	250,000 hours	250,000 hours	250,000 hours	300,000 hours	400,000 hours
<b>CONNECTIVITY</b>							
Interface	LVD SCSI	LVD SCSI	LVD SCSI	LVD SCSI	HVD or LVD SCSI	HVD or LVD SCSI	LVD SCSI
<b>POWER REQUIREMENTS</b>							
Voltage	100 to 240 VAC						
Frequency	50 to 60 Hz						
Power	.36 KVA max.						
<b>AGENCY APPROVALS</b>							
Agencies	UL, UL-Canada, TUV PS, CE Marking, FCC and VCCI						
<b>ACCESSORIES</b>							
Bar Code reader, SCSI cable, SCSI terminator, data cartridge and cleaning cartridge (except for SDLT 220 and SDLT 320).							
<b>OPTIONAL ACCESSORIES</b>							
Rackmount kit, extra magazines and add-on drive kit.							
<b>DRIVES AND MEDIA</b>							
Drive type	LTO-1	LTO-2	SDLT 220	SDLT 320	DLT 8000	AIT-2	AIT-3
